

LE BOIS DORÉ

Saumur Blanc "Le Bois Doré"

AOC Saumur, Vallée de la Loire et Centre, France

This wine comes from the vineyard planted around the castle town of Saumur on the south bank of France's Loire Valley.

LOCATION

The Saumur vineyards cover over 800 hectares on the south bank of the Loire River. The key feature of this area is its clay limestone soil: this soft, white stone, known as tufa, used to build the Loire Valley Castles, promotes good root development in the vines and ensures a moderate water supply.

WINEMAKING

Destemming and light skin contact, followed by pneumatic pressing. Fermented in temperature-controlled vats and bottled in the tufa cellars, where the wine continues ageing, protected from light and temperature variations.

VARIETAL

Chenin ou chenin blanc 100%

SERVING

Serve chilled (8-10°C).
