## Saumur Rouge Clin d'Oeil

**LOCATION:** The Saumur vineyard covers more than 800 hectares on the south bank of the Loire.

**TERROIR:** The main characteristic of the Saumurois region is its clay-limestone soil: this soft white rock called tuffeau allows the vines to put down good roots and a moderate water supply.

**WINEMAKING:** Destemming, maceration for 10 days. Vinification in thermoregulated vats and bottling in the tufa cellars where the wine continues to mature away from light and temperature variations.

**VARIETALS:** Cabernet franc 100%

**SERVING:** Serve at 16°C.

**FOOD PAIRINGS**: It will accompany cold meats, red meats (bavette), roasted white meats (grilled chicken), hard cheeses or oriental cuisine.

Deep ruby colour.

This wine is fruity, fruity and well-balanced with spicy notes.

The tannins are present and coated giving a velvety sensation at the end of the mouth.
