

# Crémant de Loire Cuvée de la Chevalerie

AOC Crémant de Loire, Vallée de la Loire et Centre, France

The grapes come from selected clay-limestone, tuffeau chalk, and shale terroirs from the southern area of Saumur. Careful ageing in our tuffeau galleries enhances its freshness and finesse.

Hand picking, gentle pressing and cool fermentation (18°C) ensure that all the aromas are preserved. The second fermentation is made in the bottle from a selection of the best wines, according to the Méthode Traditionnelle.

#### AGEING

The bottles are stored horizontally on wooden laths in our tuffeau galleries for a minimum of 12 months before disgorging, to develop an incomparably fine bead.

### VARIETALS

Chenin ou chenin blanc, Chardonnay, Cabernet

### 12.5 % VOL.

### VISUAL APPEARANCE
