

# Philippe de Valois Crémant de Loire Brut

**TERROIR :** The appellation area of Crémant de Loire is set across a wide territory along the Loire from the Anjou to the Touraine regions. The vineyards have tuffeau chalk, sand and flint clay undergrounds.

**WINEMAKING :** The winemaking process of our cuvées is made according to the traditional method with the second fermentation made in the bottle aside from the manual harvests, a meticulous selection of qualitative grapes, the ageing on laths for at least 12 months in our tuffeau cellars... To create these refined cuvées, as a tribute to Philippe de Valois, fierce defendant of his local heritage.

**VARIETALS :** Chenin blanc 70%, Chardonnay 20%, Cabernet franc 10%

**ALCOHOL CONTENT :** 12.5 % vol.

**FOOD PAIRINGS :** To be paired with a mixed-salad, Pata-negra cured meat and camember or for dessert with a lemon sorbet and a light meringue.

Pale yellow color with lively bubbles.

Perfect balance between the finesse of floral notes and the roundness of fruits.

To the mouth, fresh fruit notes – of pear and juicy yellow peaches – meld to delicate aromas of white flowers.
