Bourgueil Rouge Marie Dupin

AOP Bourgueil, Vallée de la Loire et Centre, France

PRESENTATION
This cuvée celebrates Marie Dupin, a young peasant girl from Angers, who charmed Ronsard and was his muse.

LOCATION
Situated on the north bank of the Loire, the Bourgueil vineyard covers almost 1300 hectares.

TERROIR
It benefits from a sheltered exposure and a particularly mild microclimate. The terroir of the Marie Dupin cuvée is characterised by superficial sand and gravelly soils, allowing the Cabernet Franc grape variety to express all its fruity aromatic potential.

WINEMAKING
Destemming. Vinification in thermo-regulated vats (24°C) and short maceration to preserve the suppleness of the tannins and the fruitiness of the grapes.

AGEING
Matured for 5 months before bottling in spring.

VARIETAL
Cabernet franc 100%

SERVING
Served chilled (14-16°C).

TASTING
Beautiful deep ruby colour : On the nose, aromas of red fruits, violet and spices. Round and fruity, this wine is well-balanced with fine tannins.

FOOD PAIRINGS
It will accompany cold meats (pâté de campagne, dry sausage), salads (duck breasts, gizzards), roasted white meats (grilled chicken with tarragon), grilled meats, Hachis Parmentier and soft cheeses (St Nectaire, Curé Nantais).

REVIEWS AND AWARDS
