VIGNOBLES
EDONIS
LE VAL DE LOIRE ÉVEILLE VOS SENS

LOCATION : This terroir is located on the hillsides of the communes of Pouancay, Berrie and St Léger de Montbrillais.

TERROIR : This terroir is dominated by Turonian limestone from the secondary era.

WINEMAKING : Harvesting at the end of October, when the grapes have reached the beginning of over-ripeness.

Delicate pneumatic pressing and careful settling. Vinification with temperature control (17 to 19°C) to preserve the aromatic potential of the Chenin Blanc.

AGEING : Maturing on lees for 6 to 7 months brings fatness and complexity.

VARIETALS : Chenin blanc 100%

SERVING : Served slightly chilled between 10 and 12°C.

FOOD PAIRINGS : To be enjoyed with flambéed scallops or pikeperch in white butter.
