PRESENTATION

Quentin GAUFRETEAU, cellar master at La Cave Robert et Marcel

"Son and grandson of winegrowers from Anjou, I was born in 1991 in Angers. Living among the vineyards since I was little, I began my studies with an Agricultural Engineering Diploma in Toulouse in 2010 then I moved towards the National Oenologist Diploma in 2015 on a work-study basis at La Cave Robert et Marcel. Having completed my diploma in September 2017, I joined the vineyard department of La Cave Robert et Marcel as a Vineyard Engineer. In March 2018, I was offered the opportunity to take responsibility for the vineyard department. This position will allow me daily meetings in contact with winegrowers, in the vineyards and on the terroirs of Saumur and Bourgueil. After 5 years in the vineyard service, a new opportunity is offered to me, to be able to vinify the wines of the cellar. I like to make fresh and balanced wines, complex and elegant with a nice saline length on the palate."
