## **Crémant de Loire Brut Loria**

**LOCATION:** In the heart of the Loire Valley and its royal castles, our vineyards are located in the region south of the town of Saumur.

**AGEING**: The 18 months of ageing on laths in our tuffeau cellars before disgorgement bring an incomparable finesse to the bubbles.

VARIETALS: Chenin blanc, Chardonnay, Cabernet franc

SERVING: Enjoy chilled (8-10°C).

Pale yellow color with golden highlights. Fine, persistent bubbles.

The nose reveals the floral notes of Chenin blanc, the lively freshness of Chardonnay, and the fruitiness of Cabernet franc, offering a unique, harmonious balance.

The attack is fresh, with a generous structure that develops elegantly. On the palate, aromas of fresh fruit, pear and peach follow through with long-lasting persistence.
