VIGNOBLES
EDONIS
LE VAL DE LOIRE ÉVEILLE VOS SENS

TERROIR : The main characteristic of the region is its clay-limestone soil: this soft white rock called tuffeau allows the vine to put down good roots and a moderate water supply.

WINEMAKING : Direct pressing to extract a nice aromatic potential. Vinification in thermo-regulated vats then bottled in spring to preserve freshness and fruitiness.

VARIETALS : Cabernet franc 100%

SERVING : Serve chilled (8-10°C).

FOOD PAIRINGS : It will accompany starters (salads, raw vegetables), cold meats (terrines, rillettes), fish (grilled sardines, salmon tartar), Asian dishes and desserts (fruit salads).

Raspberry-red or salmon-coloured.

Intense fruity aromas with hints of red berries and rose, with a fresh mint finish.

Tender, round and smooth wine, with a liveliness that compensates for the mellow sensation and refreshes the finish.
