REVIEWS AND AWARDS

Bronze

"La robe brillante, couleur rouge rubis foncé aux nuances violines s'ouvre sur un nez expressif qui associe les odeurs des fruits noirs confiturés à des notes de menthe et d'épices. La bouche à l'attaque souple offre une matière charnue, du grain, de l'équilibre, ainsi que des arômes compotés et épicés qui enrobent des tanins fondus puis persistent dans une finale ample. Beau Touraine Côt."
