

Coteaux de Saumur La Perrière

LOCATION : Four small plots of Chenin Blanc with low yields, from 15 to 25 hl/ha, cultivated on the tufa chalk hills of Brezé and Saint Cyr-en-Bourg.

TERROIR : The grapes gradually develop noble rot, thanks to the influence of the autumnal mists brought by the Loire and its tributaries.

WINEMAKING : Gentle pneumatic pressing, light settling and selection of juices according to richness and aromatic profile.

Long alcoholic fermentation and bottling in early spring to preserve the freshness of the fruit.

VARIETALS : Chenin blanc 100%

SERVING : Servir between 10°C and 12°C.

FOOD PAIRINGS : To be enjoyed with foie gras, blue cheeses or chocolate desserts.

Straw-yellow colour with bright reflections.

Deliciously honeyed aromatic intensity where seringat, dried apricot and candied lemon mingle.

Richness and freshness accompanied by elegant honeyed notes on a smooth finish.
