EDONIS
LE VAL DE LOIRE ÉVEILLE VOS SENS

LOCATION : Located in the south of the Loire, within 3 different Clos (Clos de la Varenne, Clos Dovalle and Clos de la Crilloire), the vineyard is situated in the commune of Bellevigne-les-Châteaux and Brezé.

TERROIR : Château du Bellay is made from 50 year old vines. They grow on a clay-limestone soil. The excellent potential of these most beautiful plots allows a beautiful maturation of the grapes.

WINEMAKING : Selection of the best plots. Control of the maturity. Tasting of the grapes. The grapes are carefully picked on a sorting table. Fermentation in temperature-controlled stainless steel vats (22°C), long maceration of 30 days with gentle extraction of polyphenols.

AGEING : Aged for 12 months in French oak barrels, in galleries dug in limestone tuff, protected from light and temperature variations. Then bottled and aged for a further 12 months.

VARIETALS : Cabernet franc 100%

SERVING : Serve at room temperature (16°C).

FOOD PAIRINGS : This lovely Cabernet Franc wine is a delight with grilled and roasted meats, fish or mature cheeses.

Dark red colour.

The nose seduces with its aromas of black fruits, truffles and hazelnuts, with delicate notes of roasting.

On the palate, this red wine is harmonious and well balanced with silky tannins. Elegant and long finish with hints of chocolate.
