

Vouvray BIO "Coq'Licot"

AOP Vouvray, Vallée de la Loire et Centre, France

Passionate about wine, we have been managing our vineyard in organic agriculture for several years, respecting the terroirs, ecological balance and biodiversity. By signing this wine, we are contributing to the preservation of the fauna and flora of the Loire Valley.

PRESENTATION

The Vouvray Bio Coq'Licot is the result of the alliance of two terroirs located at the extremities of the appellation.

LOCATION

To the west, on the first slopes overlooking the Loire at Rochecorbon, a clay-limestone terroir brings a beautiful roundness to the wine. To the east, well exposed and overlooking the commune of Reugny, a flinty-calcareous clay terroir gives it freshness and liveliness.

WINEMAKING

Slow pressing and separation of the juices. Search for fresh fruit profiles. Skin maceration to extract all the aromatic potential of the grapes. Low temperature fermentation. Maturing on total lees until spring. Bottled in spring.

VARIETAL

Chenin 100%

SERVING

Served chilled at 12°C

VISUAL APPEARANCE

Gold color.

AT NOSE
