

BANDITS DE LOIRE

Le Doux - Bandits de Loire

AOP Coteaux de Saumur, Vallée de la Loire et Centre, France

Brilliant and exuberant, the Doux uses its know-how to draw sugar from the heart of the fruit and offer a rich and unctuous nectar.

PRESENTATION

Early morning mists from the surrounding waterways envelop the vines at dawn. They are then swept away by the wind, encouraging the appearance of noble rot: a natural process that concentrates the sugar and the aromatic intensity.
