AOP Saumur, Vallée de la Loire et Centre, France

PRESENTATION

Suave, fresh, rich, fruity flavours. Delicious wines providing a great deal of pleasure.

LOCATION

Located a few kilometres from the Loire, in the middle of vines, Villa Lorane is a beautiful building made out of tufa, the local luminous white rock, and topped with a blue slate roof. Its bucolic garden with various types of roses invites visitors to enjoy the famous douceur angevine (sweet life in Anjou).

TERROIR

Made from selected plots with clay-schist soil.

IN THE VINEYARD

The berries are regularly tasted to target optimum ripeness.

WINEMAKING

Precision winemaking to bring out the grape variety's qualities : a beautiful pale colour and an intense, complex bouquet combining varietal aromas (citrus) with ones brought out by fermentation (amyl, sweets, strawberry).

Selected plots producing ripe wines with great aromatic potential. Direct pressing. Winemaking brings out the varietal aromas and gives the wine an attractive complexity. Light cold settling (300 NTU). Fermentation at 16-20°C.

AGEING

Aged on lees for 4 months, then bottled in spring to lock in maximum freshness.

VARIETAL

Cabernet franc 100%

SERVING

Best enjoyed well-chilled (10-12°C).

VISUAL APPEARANCE

Lovely pale pink colour with brilliant highlights.

AT NOSE

Powerful, complex nose combining red and black fruit (strawberry, blackberry, cherry, etc.), as well as hints of citrus and violet.

ON THE PALATE

Full-bodied and vinous on the palate, with plenty of flavour.
